This is the first time all such representatives of those groups & other individuals have agreed to some issues for stepping towards the resolution of

process. Such document showing their commitment towards the resolution of the issues and has become an important document which should make all such representatives more responsible. This is the only reason that such commitment made by those representatives of various groups of FC (Home Buyers) has been annexed with the Agenda item. The Chairman further explained that their followers shall acknowledge the commitments of their representatives. We hope that purpose of annexing the same is clarified.

The Chairman further explained the proposed resolution & modifications made on suggestions received which are as follows: -
